

That Night

Carousel

[Verse 1]

It was a lonely night
No stars were shining, there was no light
One troubled thought broke through
And colored my world so blue

[Chorus]

Lo-o-o-o-ove, where are you?
Lo-o-o-o-ove, I need you
Lo-o-o-o-ove, all night through
Where are you, my love? Oh

[Verse 2]

I travelled through the time
It felt for me like doing a crime
My mind did crazy things
Imagination opened their wings

[Verse 3]

A river dark as coal
It took me far away from the shore
Please come to me 'till sunrise
And take me back to my paradise

[Chorus]

Lo-o-o-o-ove, where are you?
Lo-o-o-o-ove, I need you
Lo-o-o-o-ove, all night through
Where are you, my love? Oh
Lo-o-o-o-ove, where are you?
Lo-o-o-o-ove, I need you
Lo-o-o-o-ove, all night through
Lo-o-o-o-ove, oh

[Bridge]

Love, love

[Chorus]

Lo-o-o-o-ove, where are you?
Lo-o-o-o-ove, I need you

Lo-o-o-o-ove, all night through
Where are you, my love? Oh
Lo-o-o-o-ove, where are you?
Lo-o-o-o-ove, I need you
Lo-o-o-o-ove, all night through
Where are you, my love?
Where are you?
