

# Be With You

Kaysha

Do you believe in love  
And all it can do for you  
The way your heart can make you feel so right  
Do you believe in me  
Well i believe in you  
What I feel is so real girl I just wanna

I just wanna be with you  
I just wanna give you  
Things you won't forget  
You're the only one

Do you believe it's real  
Or just another one  
Of these fantasies we dreamin' awake  
Well I believe it's true  
One day or another  
You get to realise that I just wanna be with you

I just wanna be with you  
I just wanna give you  
Things you won't forget  
You're the only one

I just wanna be with you  
Baby

I just wanna be with you  
I just wanna give you  
Things you won't forget  
You're the only one

Girl I love you  
I really do I really do

I do love you my baby
