

Johnny Cash

Fefe Dobson

[Intro]

There's an English beat on Sesame street
And there's a little boy dancing with dancy feet
I know, you know and he knows, what I knows

[Pre-Chorus]

There's [?] pumping from a ghetto blaster
Young girls chatting about who they're after
I know and he know, but I know, that he know

[Chorus]

Gimme all your money Mr. Johnny Cash
Gimme all your money Johnny Cash
Cuz you're finishing all your money like Johnny Cash
So gimme all your money Johnny Cash

[Verse 2]

Girls are Barbies
Boys are Johnnys
Booze, cash, money
Boys like honeys
Girls are Barbies
Boys are Johnnys
Booze, cash, money
Boys like honeys

[Pre-Chorus]

There's an English beat on Sesame street
And there's a rich man creeping and he's creeping on me
I know, what he don't and he don't don't, don't know

[Chorus:]

[Chorus]

Gimme all your money Mr. Johnny Cash
Gimme all your money Johnny Cash
Cuz you're finishing all your money on me Johnny Cash
So gimme all your money Johnny Cash

[Pre-Bridge]

Girls are Barbies
Boys are Johnnys
Booze, cash, money
Boys like honeys
Girls are Barbies
Boys are Johnnys
Booze, cash, money
Boys like honeys

[Bridge:]

Everybody in their sneakers (Hey yeah)
Nike, Cons or Adidas (Hey yeah)
Pump it up so I could feel it (Hey yeah)
With the fever
Pump it up, pump it up

Cuz I know
(And he) Know
(That I) Know
(And they) Know

[Chorus]

[Chorus]

[Chorus]
