

# Portrait (He Knew)

## Kansas

He had a thousand ideas  
You might have heard his name  
He lived alone with his vision;  
Not looking for fortune or fame  
Never said too much to speak of;  
He was off on another plain  
The words that he said were a mystery  
Nobody's sure he was sane

[Hook]

But he knew, he knew more than me or you  
No one could see his view  
Oh, where was he going to?

He was in search of an answer  
The nature of what we are  
He was trying to do it a new way  
He was bright as a star  
But nobody understood him  
"His numbers are not the way"  
He's lost in the deepest enigma  
Which no one's unraveled today

[Hook]

But he knew, he knew more than me or you  
No one could see his view  
Oh, where was he going to?

And he tried  
But before he could tell us he died  
When he left us the people cried  
Where was he going to? Oh

He had a different idea  
A glimpse of the master plan  
He could see into the future  
A true visionary man

But there's something he never told us  
It died when he went away

If only he could have been with us  
No telling what he might say

[Hook]

But he knew, he knew more than me or you  
No one could see his view  
Where was he going to?

But he knew, you can tell by the picture he drew  
It was totally something new  
Oh, where was he going to?
