

Spirit

The Wood Brothers

I had to step into the jungle
Just to get my solitude
I need some juju
And I don't know what to do

I'm tired of seein' clouds
When all I need's a drop of rain
I got my cuts and bruises
Now I'd like to feel the pain

If the spirit moves you
If the spirit moves you
If the spirit moves you
Please, won't you send him
Please, won't you send him to me?

Well, how do you do that magic
What's the secret, what's the spell?
I try to work it
But I just can't do it well

I know I'm lucky to be in the jungle
Doin' what I please
I got no birds I got no buds
I should just get down on my knees

But please
If the spirit moves you
If the spirit moves you
If the spirit moves you
Please, won't you send him
Please, won't you send him to me?

If the spirit moves you
If the spirit moves you
If the spirit moves you
Please, won't you send him
Please, won't you send him to me?

If the spirit moves you

If the spirit moves you
If the spirit moves you
Please, won't you send him, please
Please, won't you send him, please
Please, won't you send him
Please, won't you send him to me?
Send him to me
Send him to me
