

# In One Ear

## Cage the Elephant

They say that we ain't got the style  
We ain't got the class  
We ain't got the tunes that's  
Gonna put us on the map  
And I'm a phony in disguise  
Tryin' to make the radio  
I'm an anti-social anarchist  
I sound like so and so They say I'm just a stupid kid  
Another crazy radical  
Rock'n'roll is dead  
I probably should have stayed in school  
Another generation X  
Who somehow slipped up through the cracks  
Oh they'd love to see me fall  
But I'm already on my back  
So it goes in one ear and right out the other  
People talking shit but you know I never bother  
It goes in one ear and right out the other  
People talking shit, they can kiss the back of my hand Now I know I'm not a saint  
I've been a sinner all my life  
I ain't tryin' to hide my flaws  
I'd rather keep them in the light  
They want to criticize, scrutinize  
Cast another stone  
Burn me at the stake  
And sit and watch it from their throne  
They say the devil is my pal  
I do a lot of drugs  
The crowd will only like me  
If they're really fuckin' drunk  
They think they know my thoughts  
But they don't know the least  
If they'd listen to the words  
They'd find a message tucked beneath But it goes in one ear, and right out the other,  
People talkin' shit, even though they never bother,  
It goes in one ear, and right out the other,  
People talkin' shit, they can kiss the back of my hand! You hear that?  
You hear what's coming?  
Oh, you better run for the hills  
'Cause we're coming to your town  
And we're gonna burn that motherfucker down Here's the moral to the story  
We don't do it for the glory

We don't do it for the money  
We don't do it for the fame  
So all the critics who despise us  
Go ahead and criticize us  
It's your tyranny that drives us  
Adds the fire to our flames And it goes in one ear and right out the other  
People talking shit so you know we never bother  
It goes in one ear and right out the other  
I'm only playing music 'cause you know I fucking love it  
It goes in one ear and right out the other  
People talking shit but you know I never bother  
It goes in one ear and right out the other  
People talking shit, they can kiss the back of my hand
