

Shake What You Got

[Evan Olson](#)

I see you, girl
Shake what you got
I never [?]
I see that thing
Won't you take a part
I never [?]

I want you, girl
I like what you got
I never [?]
I need you here
[?]
And I never [?]
I see you, girl
Shake what you got
I never [?]
I see that thing
Won't you take a part
I never [?]

Come on, girl
Just shake what you got, you pretty girl
Just shake what you got, my pretty girl
Just shake what you got, oh come on, girl
Just shake what you got
