

Road to Nowhere

Talking Heads, David Byrne, Jerry Harrison, Andrew Cader
& Eric 'ET' Thorngren

Well, we know where we're goin'
But we don't know where we've been
And we know what we're knowin'
But we can't say what we've seen
And we're not little children
And we know what we want
And the future is certain
Give us time to work it out
We're on a road to nowhere
Come on inside
Takin' that ride to nowhere
We'll take that ride
I'm feelin' okay this mornin'
And you know
We're on a road to paradise
Here we go, here we go
We're on a ride to nowhere
Come on inside
Takin' that ride to nowhere
We'll take that ride
Maybe you wonder where you are
I don't care
Here is where time is on our side
Take you there, take you there
We're on a road to nowhere
We're on a road to nowhere
We're on a road to nowhere
There's a city in my mind
Come along and take that ride
And it's all right, baby it's all right
And it's very far away
But it's growing day by day
And it's all right, baby it's all right
Would you like to come along?
And you could help me sing this song
And it's all right, baby it's all right
They can tell you what to do
But they'll make a fool of you
And it's all right, baby it's all right
There's a city in my mind
Come along and take that ride
And it's all right, baby it's all right
And it's very far away
But it's growing day by day
And it's all right, baby it's all right
Would you like to come along?
You could help me sing this song
And it's all right, baby it's all right
They can tell you what to do
But they'll make a fool of you
And it's all right, baby it's all right
We're on a road to nowhere
We're on a road to nowhere
We're on a road to nowhere

We're on a road to nowhere
