

# Come Undone

## My Darkest Days

[Matt]

Mine, immaculate dream  
Made of breath and skin, I've been waitin' for you  
Signed with a home tattoo  
"Happy Birthday to You" was created for you

[Jessie]

I can't ever keep from fallin' apart at the seams  
I cannot believe you're takin' my heart into pieces

[Matt]

Oh, it might take a little time  
Might take a little crime, to come undone now  
We'll try to stay blind to the hope and fear outside  
Hey child, stay wilder than the wind and blow me in to cry

Who do you need? Who do you love?  
When you come undone  
Who do you need? Who do you love?  
When you come undone

Words, playing me dÃ©jÃ  vu  
Like a radio tune I swear I've heard before  
Chill, is this something real?  
Or the magic I'm feeding off your fingers?

[Jessie]

I can't ever keep from fallin' apart at the seams  
I cannot believe you're takin' my heart into pieces

[Matt]

Lost, in a self-filled sky  
Might make it alright to come undone now  
We'll try to stay blind to the hope and fear outside  
Hey child, stay wilder than the wind can blow me into cry

Who do you need? Who do you love?  
When you come undone  
Who do you need? Who do you love?

When you come undone

[Jessie & Matt]

I can't ever keep from fallin' apart at the seams

(Who do you need?)

I cannot believe you're taking' my heart into pieces

(Who do you love?)

I can't ever keep from fallin' apart at the seams

(Who do you love?)

I cannot believe you're takin' my heart

(When you come undone)
