

Softly

Sofa Surfers

They threw you out the club
Get in line with the other cases
Unless it ain't broke
Why don't you fix it?
Throwing shapes of the truly concerned
Keeping you occupied
Softly, softly catch a monkey

Softly, softly catch a monkey

Trying to make mess
Out of all this order
Cause measure for measure
Its had the beating of me
"Hey, daddy! what's a hero??"
"Well, it's a sandwich, son...
A man can't fly
Cause his whole's too heavy"

Softly, softly catch a monkey

Life in reverse
Cause we're living by numbers
Trying to kill time
But the shit won't die
A rest well earned
Urban safari
Keeping you occupied
Softly, softly catch a monkey

Softly, softly catch a monkey
