

I Stand Amazed

[Dennis Jernigan](#)

I see the star that you have made
I know You call them each by name

To think Father God who heaven displays
Is thinking of me in intimate ways

Chorus:

I stand amazed in all of your glory
That You would die for me I stand amazed

I stand amazed in all of Your glory
True love's sweetest sotry I stand amazed

I see the nails piercing Your skin
My wicked heart driving them in

I see the spear piercing Your side
And I see the lamb for me crucified
