

Azonto (feat. Itz Tiffany)

Fuse ODG

U Nobody wanna see you rising
And when they do it they don't like it
They just wanna see you deep in crises
Drive your self you don't need a license
Call the hush you can even ride it
Go ahead move your feet just like this
Then he showed me the latest
We wanna walk over them haters
Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto
We walk over the haters now watch me do my
Azonto, zonto, zonto, Azonto, zonto
Zonto, Azonto, zonto, zonto
Azonto zonto, zonto, Azonto
Zonto, zonto, Azonto, zonto, zonto
Azonto, zonto, zonto, Azonto
zonto, zonto
We walk over the haters
The whole world wanna learn how to do this
So Imma take you right through this
Azonto dance is the movement
So when you jump on the floor better use it
First step is the step-step
You can move to the right to the left-left
You can even freestyle when you step-step
Put your hands in the air then you rep-rep
So go, go, go
Twist your fingers you can wave and say hello lo lo
Make your fist and you can hit them with the blow, blow, blow
No violence thats how you do Azon-zon-to
Let me see you go go
Killbeatz taught me this
Nobody wanna see you rising
And when they do it they don't like it
They just wanna see you deep in crises
Drive your self you don't need a license
Call the hush you can even ride it
Go ahead move your feet just like this
Then he showed me the latest
We wanna walk over them haters

Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto, Azonto
Now watch me do my Azonto, Azonto
We walk over the haters
