

# SLOW DANCING IN THE DARK (Mr. Mitch Remix)

Joji

I don't want a friend, just me  
I want my life in two (my life in two)  
Just one more night  
Waiting to get there  
Waiting for you (waiting for you)  
Just one more night  
I'ma fight it all night When I'm around slow dancing in the dark  
Don't follow me, you'll end up in my arms  
You done made up your mind  
I don't need no more signs  
Can you?  
Can you?  
Give me reasons we should be complete  
You should be with them, I can't compete  
You looked at me like I was someone else, one else  
Can't you see?  
I don't wanna slow dance (I don't want to slow dance)  
In the dark  
Dark When you gotta run  
Just tear my voice in you (my voice in you)  
Shutting me out of you (shutting me out of you)  
Doing so great (so great, so great)  
You Used to be the one to hold you when you fall  
Yeah, yeah, yeah (when you fall, when you fall)  
I don't fuck with your tone (I don't fuck with your tone)  
I don't wanna go home (I don't wanna go home)  
Can it be one night?  
Can you?  
Can you?  
Give me reasons we should be complete  
You should be with them, I can't compete  
You looked at me like I was someone else, one else  
Can't you see?  
I don't wanna slow dance (I don't want to slow dance)  
In the dark  
Dark  
In the dark  
Dark
