

Miami 82

Syn Cole

Oh
How quickly I come undone
Like melting ice on the sun
Why would that stop when I'm falling free
Midnight daydream

Oh
You watch me and I'm exposed
Like lightning bolts in my bones
Why would that stop when I'm falling free
Midnight daydream

Midnight daydream
Midnight daydream

Oh
How quickly I come undone
Like melting ice on the sun
Why would that stop when I'm falling free
Midnight daydream

Oh
You touch me and I explode
Like lightning bolts in my bones
Why would that stop when I'm falling free
Midnight daydream

Midnight daydream
Midnight daydream
