## L7

Down in North Hollywood  
There's a guy with long hair  
He's really, really nice  
But we had a problem  
I'm sorry  
The key is stuck in the lock  
And we need some A/C  
It's burning up in here  
We've got something to tell you  
Andres  
I'm sorry  
I'm sorry  
Down in north hollywood  
Know a guy with long hair  
He's really really nice  
But we had a problem  
Andres  
I'm sorry  
I'm sorry  
I'm sorry  
Andres...
