## Big Baby Scumbag

[Chorus]

I done touched down bitch I feel like Jameis Winston  
Told that bitch to wipe me down, I feel like Jameis Winston  
White girlfriend and she look like Paris Hilton

[Verse]

Prada shoe walkin' when I pull up to your city  
Black Prada shades so I got the tunnel vision  
Turn my swag on bitch I'm worth about a million  
Ballin' with them bucks, bitch, I feel like John Henson  
Pull a rabbit out a hat, I feel like a magician  
Pull a presidential so you know my windows tinted  
Red ruby rings same color Kathy Griffin  
Motherfuck Raff Simmons that some tru religion  
Never gave a fuck about a bro nigga opinion  
Never went to class, I went to school but I was skippin'  
Told that teacher suck my dick, she put me in detention  
Nigga I been flexin' ever since the elementary  
I remember bein' broke, ain't have no pot to piss in  
Now these bitches blowin' up my phone they want my children  
Money real long got my stack into the ceiling  
Every day is Halloween every day is Christmas  
Ran off with your bitch ha now you in your feelings  
Get rich or die trying bitch I feel like 50  
I can't stand a nosy bitch so get up out my business  
Lit up like a Christmas tree my teeth is steady glistenin'  
All my niggas sell work like its Church's Chicken  
All my niggas smoke purp we tryna cop them Benz's  
Niggas on my shit list, hoes on my guest list  
Ice round my necklace, I leave your bitch breathless

[Chorus]

Told that bitch to wipe me down, I feel like Jameis Winston  
White girlfriend and she look like Paris Hilton  
93 that's on my feet, I ball like Scottie Pippen

I done touched down bitch I feel like Jameis Winston  
Told that bitch to wipe me down, I feel like Jameis Winston  
White girlfriend and she look like Paris Hilton  
93 that's on my feet, I ball like Scottie Pippen  
I done touched down, bitch I feel like Jameis Winston
