

Take Me Back

Tinchy Stryder

[Link: Taio Cruz (Tinchy Stryder)]

Cause I can't live without you

Oh oh oh

Girl, I can't live without you

Oh oh oh oh oh oh oh oh

Cause I can't live without you

(Now I need you back in my zone)

Oh oh oh

Girl, I can't live without you

(Cause I actually thought I would cope on my own)

Oh oh oh oh oh oh oh oh

[Verse 1: Tinchy Stryder]

Yeah, I approach females in a hot boy style

Like "I'm the one, try me"

There's me thinking I'm moving slyly

Your friend was right there with both eyes on me

Now I feel wrong cause you caught me

I could make it up to you, trust me

If you say no, I would deal with that

I'm hoping you take me back, flee

[Pre-Chorus: Taio Cruz]

I'm sorry I misleded you, pretty lady

I'm sorry I mistreated you, pretty lady

I'm sorry that I hurt you, pretty lady

Now all I need to know is

[Chorus 1: Taio Cruz (Tinchy Stryder)]

Can you take me back? Can you take me back?

Can you take me back? Can you take me back?

Can you take me back? Can you take me back?

Can you take me back? (That's one thing I need to know) Can you take me back?

[Link: Taio Cruz]

Cause I can't live without you

Oh oh oh

Girl, I can't live without you

Oh oh oh oh oh oh oh oh

[Verse 2: Tinchy Stryder]

Look, I know you got played and that
And it's only right that you ain't feeling, let alone rating that
But babe, it's a fact
They call me the latest mack
I had to live by that
I spent nights in your bredrin's flat
And I know the thought alone is ill
Left a next taste in your mouth like a drink gone flat
Them days I done you wrong like that
Now I could never do that - that's bad
If you say no, I would deal with that
I'm hoping you take me back, flee

[Pre-Chorus: Taio Cruz]

I'm sorry I misleded you, pretty lady
I'm sorry I mistreated you, pretty lady
I'm sorry that I hurt you, pretty lady
Now all I need to know is

[Chorus 2: Taio Cruz (Tinchy Stryder)]

Can you take me back? Can you take me back?
Can you take me back? (If I change the way I roll) Can you take me back?
Can you take me back? Can you take me back?
Can you take me back? (That's one thing I need to know) Can you take me back?

Cause I can't live without you
Oh oh oh
Girl, I can't live without you
Oh oh oh oh oh oh oh oh

[Bridge: Tinchy Stryder (Taio Cruz)]

Now I need you back in my zone
(Cause I can't live without you)
Cause I actually thought I would cope on my own
(Girl I can't live without you)
I played away, I roamed
Now I need you back in my zone
Cause I'm sitting at home alone
I need to know, flee

[Pre-Chorus: Taio Cruz]

I'm sorry I misleded you, pretty lady
I'm sorry I mistreated you, pretty lady
I'm sorry that I hurt you, pretty lady
Now all I need to know is

[Chorus 3: Taio Cruz (Tinchy Stryder)]

Can you take me back? Can you take me back?
Can you take me back? (Tell me now or bell my phone) Can you take me back?
Can you take me back? Can you take me back?
Can you take me back? (That's one thing I need to know) Can you take me back?

[Link: Taio Cruz (Tinchy Stryder)]

Cause I can't live without you
(Now I need you back in my zone)
Oh oh oh
Girl, I can't live without you
(Cause I actually thought I would cope on my own)
Oh oh oh oh oh oh oh oh
