

Trouble (Club Mix)

OFFAIAH

I'm facing the bottle,
for all of my problems
are nothing but trouble! I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble! I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble!

I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble! I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble! I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble!

I'm facing the bottle,
for all of my problems
these Instagram models
are nothing but trouble! I'm facing the bottle,
for all of my problems
are nothing but trouble!
