ZombieBoy

I want to be your zombiegirl  
And you can be my zombieboy  
You have my heart, now give me yours  
Let's play dead before we die  
I want to be your zombiegirl  
And you can be my zombieboy  
You have my heart, now give me yours  
Let's play dead while we're alive  
I want to be your zombiegirl  
And you can be my zombieboy  
You have my heart now give me yours  
Let's play dead before we die  
I want to be your zombiegirl  
And you can be my zombieboy  
I have your heart right in my hands  
Let's play dead before we die  
Can you be my zombieboy?  
Can i be your zombieboy?  
Can you be my zombieboy?  
I will be your zombieboy  
Let's play dead, let's play dead  
Let's play dead
