

# Jet Black Heart

## 5 Seconds of Summer

Everybody's got their demons  
Even wide awake or dreaming  
I'm the one who ends up leaving  
Make it okay See a war I wanna fight it  
See a match I wanna strike it  
Every fire I've ignited  
Faded to grey But now that I'm broken  
Now that you know it  
Caught up in a moment  
Can you see inside?  
'Cause I've got a jet black heart  
And there's a hurricane underneath it  
Trying to keep us apart  
I write with a poison pen  
But these chemicals moving between us  
Are the reason to start again Now I'm holding on for dear life  
There's no way that we could rewind  
Maybe there's nothing after midnight  
That could make you stay But now that I'm broken  
And now that you know it  
Caught up in a moment  
Can you see inside?  
'Cause I've got a jet black heart  
And there's a hurricane underneath it  
Trying to keep us apart  
I write with a poison pen  
But these chemicals moving between us  
Are the reason to start again The blood in my veins  
Is made up of mistakes  
Let's forget who we are  
And dive into the dark  
As we burst into color  
Returning to life 'Cause I've got a jet black heart  
And there's a hurricane underneath it  
Trying to keep us apart  
I write with a poison pen  
But these chemicals moving between us  
Are the reason to start again The blood in my veins  
Is made up of mistakes  
(To start again)  
Let's forget who we are  
And dive into the dark
