

Bye Bye Boyfriend

Fefe Dobson

I've been lying,
to keep you from this pain
Now your cryin,
And I know that I'm to blame
And I'll miss you
But its over now I'm so sorry,
that it had to be this way
Please don't hate me,
but there's nothing you can say
To change my mind
I've got to go
Wheres the guy that I fell for
He wanted more and more Bye bye boyfriend
Its time that I be on my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down what
It was fun but it couldn't last forever
Bye bye pretty boyfriend,
It's time to pack it up
Baby 'cause its over now I remember how it was when we started off
With your tattoo and your lip pierced
And the raggedy sound that you used to rock
Lately everything you do and say is messed up
Things have changed, down is up we're outta luck
And Baby I'm sorry
That it had to be this way
Please don't hate me, but there's nothing you can say
To change my mind
The guy that I fell for
He wanted more and more Bye bye boyfriend
Its time that I be on my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down what
It was fun but it couldn't last forever
Bye bye pretty boyfriend,
It's time to pack it up
Baby 'cause its over now You never put the effort in to the things that really count
With a word here, and a kiss there

Could've changed the way its turning out
You worked so hard at all the things I never cared about
Hands working & fingers moving eyes wide shut
And baby I'm lonely
Though your right in front of me
You controlled me
That was the girl I used to be
Gave up myself
But thats over now
Wheres the guy that I fell for
He wanted more and more
Bye bye boyfriend
Its time that I'd be on my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down and work
It was fun but it couldn't last forever
Bye bye pretty boy,
It's time to pack it up
Baby 'cause its over now
I'm packin up,
Baby cause it's over now
Pretty pretty pretty pretty boyfriend,
C'mon
c'mon
c'mon
c'mon
Baby back it up
Lay down what
It was fun but it couldn't last forever
Bye bye pretty boyfriend
It's time to pack it up
Baby 'cause it's over now
