

# I'm Locked Up

RKL

I'm Locked in this cell,  
With no chance of escape.  
I've got to get out,  
'Cause this my mind can't take.  
I've fucked authority right in the ass,  
Now authority gonna fuck me right back.  
I'm in an institution and I can't get out.  
I'm in an institution and there's no remorse.  
I'm Locked in this cell,  
With no chance of escape.  
I've got to get out,  
'Cause this my mind can't take.  
I've fucked authority right in the ass,  
Now authority gonna fuck me right back.  
I'm in an institution and I can't get out.  
I'm in an institution and there's no remorse.  
Locked in this cell,  
With no chance of escape.  
I've got to get out,  
'Cause this my mind can't take.  
I've fucked authority right in the ass,  
Now authority gonna fuck me right back.  
I'm in an institution and I can't get out.  
I'm in an institution and there's no remorse.  
No remorse.
