

Blue No More (feat. James Bay)

Buddy Guy

When I reach, heaven's gate
And they see the joy, on my face
They might not know me
'Cause I won't be blue no more
None of my songs will sound the same
'Cause all of the heartache and all of the pain
Will be taken from me
And I won't be blue no more
Lord knows the blues
Is deep in my soul
Is my whole life
Is everything I know
It's been my home
And I bring it everywhere I go
Oh, yeah, everywhere I go
I can't leave without it
One of these days (One of these days)
The road is gonna end
He'll call my name (Call my name)
I'll be honoured then
I believe (I believe, yes)
I won't be (No I won't be)
Blue no more
Yeah I believe
That I won't be (I won't be)
Blue (I won't be blue no more)
I won't be blue no more (no more)
