

# Are You Feeling Like Me

## Welles

[Intro]

Sometimes I get so heavy and I drag you along  
And that's not me  
I promise that I'm lovely, haven't grinned for so long  
And that's not me  
I'm just lost as can be

[Verse 1]

I reckon time's a healer but it's takin' so long  
And that's not me  
I can show you all I'm happy, look I'm writing a song  
That's all I can be  
It's what I'm wantin' to be

[Chorus]

Are you feeling like me?  
Are you blue as can be?  
Are you feeling like me?  
Are you blue as can be?

[Verse 2]

I get hung up in my head, you know it's leading me on  
And that's not me  
If it comes too much to bear, then I'll be gettin' gone  
And that's not me  
I'm just lost as can be

[Chorus]

Are you feeling like me?  
Are you blue as can be?  
Are you feeling like me?  
Are you blue as can be?

[Instrumental interlude]

[Chorus]

Are you feeling like me?  
Are you blue as can be?  
Are you feeling like me?  
Are you blue as can be?

Are you feeling like me?  
Are you blue as can be?  
Are you feeling like me?  
Are you blue as can be?
