

# Never Settle

## Rob Bailey & The Hustle Standard

The Red bull is back  
Its Rob Bailey Its The Hustle Standard  
Marley Poppins  
Battle tested  
Come at me bro  
We Can't loose

It's all me 3x  
From the sidewalk to the stars, no we never gonna settle  
Watch out, I'm gettin upset  
I'm kinda pissed I don't feel my legs  
But I'm happy  
I'm overjoyed  
Can't wait to see what happens next BOI!  
'Cause I'm new and I'm improved  
You can bet on this I can't loose  
I'm bigger than real life on HD  
See me in 3D  
It's watch free

It's all me, hold on to my breath like it's the last one I got left  
From the sidewalk to the stars I'm never gonna settle  
Hold on to my breath (It's all me)  
Hold on to my breath (It's all me)  
Hold on to my breath (sidewalk to the stars)  
I'm never gonna settle (I'm never gonna settle)  
Whats Marley Poppins got that dummy rap  
Runnin' runnin' runnin circles when you want my final lap  
What you think of that  
I'mma I'mma I'mma I'mma thundercat  
I rain from there to the church  
Puts me under that  
Sneaking out the side door  
Can't use the entrance  
Is this real life or David at the dentist  
Screaming, run tell that  
Homeboy, I'm next level  
I'm Mike Tyson in the booth I'm the devil

It's all me hold on to my breath like it's the last one I got left

From the sidewalk to the stars I'm never gonna settle  
Hold on to my breath (It's all me)  
Hold on to my breath (It's all me)  
Hold on to my breath (sidewalk to the stars)  
I'm never gonna settle (I'm never gonna settle)  
Watch out kid kid ..  
Samples..

It's all me hold on to my breath like it's the last one I got left  
From the sidewalk to the stars I'm never gonna settle  
Hold on to my breath (It's all me)  
Hold on to my breath (It's all me)  
Hold on to my breath (sidewalk to the stars)  
I'm never gonna settle (I'm never gonna settle)
