

# Head Games

## Foreigner

Daylight, all right  
I don't know, I don't know if it's real  
Been a long night and something ain't right  
You won't show, you won't show how you feel  
No time ever seems right  
To talk about the reasons why you and I fight  
It's high time to draw the line  
Put an end to this game before it's too late  
Head games, it's you and me baby  
Head games, and I can't take it anymore  
Head games, I don't wanna play the  
Head games I daydream for hours it seems  
I keep thinkin' of you, yeah, thinkin' of you  
These daydreams, what do they mean?  
They keep haunting me, are they warning me?  
Daylight turns into night  
We try and find the answer but it's nowhere in sight  
It's always the same and you know who's to blame  
You know what I'm sayin', still we keep on playin'  
Head games, that's all I get from you  
Head games, and I can't take it anymore  
Head games, don't wanna play the  
Head games So near, so far away  
We pass each other by 'cause we don't know what to say  
It's so clear, I'm sorry to say  
But if you wanna win you gotta learn how to play  
Head games, always you and me, baby  
Head games, 'til I can't take it anymore  
Head games, instead of makin' love  
Head games, ohh  
Head games, always you and me, baby  
Head games, 'til I can't take it anymore, no more  
Head games, instead of makin' love, we play  
Head games Head games, in the first degree  
Head games, yeah, always you and me  
Head games, why do you do it, baby?  
Head games, you put me through it, baby
