Smashin in a 80 two brand new grown

Home sweet home nigga where the hoodstas roam

In gangstaville where we shoot to kill

Pop the pill, pop then drop the three-wheel

The tale of tales, fly high as a gazelle

The hell-hound came through and drown the whale

Pronounce, denounce, stripped in set sail

Soak in a could of smoke then inhale

Hold it in neva exhale

Smoke whoever nigga's zone I'm in, oh well

Fuck you and ya mama

Drama, holocaust through anaconda

[Chorus 1-Kurupt]

Let off a belly, the Desert Eagle start yellin

Screamin, the path of a demon bellin

My all blue chucks all goin out right

Dippin through the back 'cause it's on onsite

The first nigga saw is the first nigga gone

Smashed on, genked and shanked and blast on him

If the bitches strip, we out six, foe's

Like e'erday, Californ-I-A

Double-four's dump it on my lap for comfort
