

# Amber

311

[Intro]

[Verse 1]

Brainstorm, take me away from the norm  
I got to tell you somethin', this phenomenon  
I had to put it in a song and it goes like

[Chorus]

Whoa, amber is the color of your energy  
Whoa, shades of gold displayed naturally

[Verse 2]

You wanna know what brings me here, oh  
You glide through my head, blind to fear  
And I know why

[Chorus]

Whoa, amber is the color of your energy  
Whoa, shades of gold displayed naturally

[Break]

[Chorus]

Whoa, amber is the color of your energy  
Whoa, shades of gold displayed naturally

[Refrain]

You live too far away  
Your voice rings like a bell anyway  
Don't give up your independence  
Unless it feels so right  
Nothing good comes easily  
Sometimes you've got to fight

[Chorus]

Whoa, amber is the color of your energy  
Whoa, shades of gold displayed naturally

[Verse 3]

Launched a thousand ships in my heart, so easy

Still, it's fine from afar  
And you know that

[Outro]

Whoa, brainstorm, take me away from the norm  
Whoa, I got to tell you somethin'
