

# Porn Star Dancing (feat. Zakk Wylde)

## My Darkest Days

Kelly won't kiss my friend, Cassandra  
Jessica won't play ball  
Mandy won't share her friend, Miranda  
Doesn't anybody live at all?  
Amanda won't leave me empty handed  
Got her number from a bathroom stall  
Brandy just got way too much baggage  
And that shit just gets old  
But I got a girl who can put on a show  
The dollar decides how far you can go  
She wraps those hands around that pole  
She licks those lips and off we go  
She takes it off nice and slow  
Cuz that's porn star dancin'  
She don't play nice, she makes me beg  
She drops that dress around her legs  
And I'm sittin' right by the stage for this  
Porn star dancin'  
Your body's lightin' up the room  
I want a naughty girl like you  
There's nothing hotter than a.  
Stacy's gonna save herself for marriage  
But that's just not my style  
She's got a pair that's nice to  
stare at  
But I want girls gone wild  
But I know a place where there's always a show  
The dollar decides how far you can go  
She wraps those hands around that pole  
She licks those lips and off we go  
She takes it off nice and slow  
Cuz that's porn star dancin'  
She don't play nice, she makes me beg  
She drops that dress around her legs  
And I'm sittin' right by the stage for this  
Porn star dancin'  
Your body's lightin' up the room  
I want a naughty girl like you  
Let's throw a party just for two  
You know those normal girls won't do  
She wraps those hands around that pole  
She licks those lips and off we go  
She takes it off nice and slow  
Cuz that's porn star dancin'  
She don't play nice, she makes me beg  
She drops that dress around her legs

And I'm sittin right by the stage for this  
Porn star dancin'
