

A Moment Apart

ODESZA

[Instrumental]

I love you most

I love you most, I love you more now

I love you, I love you most, more now

I love you most, I love you more now

I love you most, I love you more now

I love you most, I love you more now

I love you, I love you most, more now

I love you most, I love you more now

I love you most, I love you more now
