

Jabdah

Koto

The voice is calling from space newspaper
Somebody is coming to eat us and break the Earth
Don't be afraid, don't be afraid, television's saying,
Television's saying, don't look at it

Don't mention it, the word is spreading
Somebody's coming from a strange reality
Deep voice coming from the Earth
Strong voice coming from the space...

(Jabdah)
(Jabedee-ha)
(Jabdah)
(Jabedee-ha)

The voice is calling from space newspaper
To eat us and break the Earth (Jabdah) (Jabedee-ha)
Don't be afraid, don't be afraid, television's saying
That word is strange (Jabdah) (Jabedee-ha)

Somebody's coming from a strange reality
Deep voice coming from the space (Jabdah) (Jabedee-ha)

Voice is calling from the space newspaper
To eat us and break the earth (Jabdah) (Jabedee-ha)
Don't be afraid, don't be afraid, television's saying
That word is strange (Jabdah) (Jabedee-ha)

Somebody's coming from strange row
Strong voice coming from the space (Jabdah) (Jabedee-ha)

(Jabedee-ha)
