

Draw Blank

S.O.A.

Always ask how I feel
Think the truth is part of the deal

[Chorus:]
You'll never know
I'll never show
I'm not a book
You can't read me

Always ask what's on my mind
I'll just say I don't have time

[Chorus]

Always ask why I am this way
I just say I'm gonna stay

[Chorus]
