A gangsta, seldom seen, but always heard

A gangsta, more than just a 7 letter word (fo' real!)

A gangsta ain't your clothes, a gangsta ain't your hat.

Your watch, rang & chain - naw, a gangsta ain't that! (at all!)

A gangsta can have that, but he ain't gotta show it. (why?)

'Cause with or without it he's still a gangsta & you know it

From my head to my toe wit it, it ain't hard to see

That I'm a gangsta, ain't too many as hard as me

You claimin' G, but you ain't gangsta jack

So tell all them fake gangsta's

I'm comin' to take gangsta back. Now That's Gangsta!
