D12

[Eminem]
G-SHIT

[Bizarre]
Whattup

I gotta tell you motherfuckers the truth
This is straight G shit
And all you can do is respect it

[Verse 1: Swift]

Well I'mma state my name, Swift McVay
None of y'all niggas got shit to say
Rhymes keep coming off like a toupee
Plus I'm big headed running things my way
A selfish man, the back of the hand
Be slapping the hell out of hoes because I can
Prostitute, I want my loot
And I don't give a fuck about your broke-ass man and
Y'all giving niggas what they needing
'til bitches understand I'm mean and
Swift McVay is, blowing up
Courvosier 'til I'm throwing up
Wanna playa hate me, bitch so what?
What's yo' function? Where's yo' bucks?
All you wanna do is wanna stick him up
You wanna rob me but I got too much (hah)
D12, naturally lifted
You niggas better duck when I cock the biscuit
You fuck wit me, I fuck wit you
Your entourage, nigga fuck them too
I got grenades
What the hell your little twenty-two gon' do?
(Y'all ain't gon' shoot)
Y'all major soft
Cops getting mad cause I paid 'em off, made 'em cough
Blood and shit
That's what the hell you motherfuckers get, we runs this bitch?
So hey, you ain't gotta be scared to fuck
If you want head, then prepare to suck (do it)
Even if the nigga don't care to nut

For every stroke, it's a hundred bucks
Respect the game, you just a slut
So open your legs up and get my duck

[Hook: Eminem (Dina Rae)]

You just a .. (ho)
You just my .. (ho)

[Verse 2: Proof]

I don't spit game, no longer than my name
The way my chain hang, my nuts do the same

And knowing the fact, I was born to mack
That's why I got a ho in the back, blowing my sac
Got good game, that's a hood thang
What'd you brang, loot or poo-tang?
Let 'em all bang, run that cheese
Tell that trick nigga (come back please!)
Rob a L7, that's a square
You a bottom ho, you got to know
Off you I plan to make a lot of dough
So suck fast bitch, and swallow slow
{â€‹â€‹*swish-slap-swish*}â€‹â€‹ (AH!) Bitch quit talking back
{â€‹â€‹*swish-slap-swish*}â€‹â€‹ (AH!) Now walk the track

[Verse 3: Kon Artis]

I don't pay for ass, you pump my gas
You get slapped when we're short of cash
I get whiplash when I hit the gas
And I holla out the window of the hatch
Where's my scratch? Bitch, that's, it
Suck it stroke it make me rich
As a token of my appreciation it's
Another client for you to hit
I don't give a fuck if you gotta go home to the kids
You shoulda picked another occupation, trick
Now you're stuck with me, fuck with me
And I'mma slap you up in this truck
You must be out your mind or something
Crying and whining like you tired or something
Go suck some head until it aches for buffering

You don't work? You make nothing
I'm just another case of a lazy husband

[Verse 4: Kuniva]

I want the paper stack
Buy you an outfit, then take it back
When you page me, bitch, I never page you back
You only act a certain way that I make you act (whattup)
Hoes recognize, and niggas do too
Cause they realize that niggas do shoot
Don't like a chick that act too cute
Bitch hold my gat down when I shoot hoop (oh yeah)
And don't be asking me, all kind of questions
All harassing me, calling stressing
Or I may have to release some aggression
Beat you to death and teach you a lesson
Looking for handouts like you my damn spouse
Pull your pants down and fuck my mans now
Shut your damn mouth or get in the damn house
Off with the damn blouse and suck on my damn crotch

[Hook]

You just a .. (ho)
You just my .. (ho)
Dirty-ass .. (ho)
