

Gallon (Alex Adair Remix)

Mr Sanka

[Verse 1]

Has anyone seen my shadow?
Has anybody found my soul?
Last night seems a little blurry
'Cause last night I fell into a hole

[Chorus]

And I want my memory back
I want my memory back
I want my memory back
My memory back

[Drop]

[Verse 2]

I vaguely recall your venom
Slowly reaching my core
Last night, I lost about a gallon
'Cause last night, you took away my blood

[Chorus]

And I want my memory back
I want my memory back
I want my memory back
My memory back

[Drop]
