

Viva

Tin Star

Â¡Viva Â¡Viva la RevoluciÃ³n
Â¡Viva Â¡Viva la RevoluciÃ³n
Â¡Viva Â¡Viva la RevoluciÃ³n
Â¡Viva Â¡Viva la RevoluciÃ³n
Â¡Viva Â¡Viva la RevoluciÃ³n

We've got to live
We've got to give give in
We've got to work like dogs
At any kind of job
I could do something got to do something
Got to get out of this institution

Â¡Viva la RevoluciÃ³n
C'mon! C'mon! Â¡Viva
Â¡Viva la RevoluciÃ³n
I found my solution!

It's got to stop:
This clock stop this mess
I'm ready to confess
I'll ill do I have to take these pills?
I could do something got to do something
Something to give me my absolution

Â¡Viva la RevoluciÃ³n
Yeah, c'mon! C'mon! Â¡Viva
Â¡Viva la RevoluciÃ³n
'Cuz I found my solution;
I got to go to go I said no way

Give something do something
Do something just do anything
No don't try and take me away from here
Give me my absolution

(Â¡Viva, Â¡Viva) RevoluciÃ³n...
Yeah, c'mon! C'mon, Â¡Viva
Â¡Viva la RevoluciÃ³n

C'mon, c'mon! Viva

A year is a month
A week is a day
Living this way
Living this way
