

# My Mind

Skegss

[Verse 1]

There, down by the river  
She's cries to you  
She doesn't love this life no more  
She starts to wonder why  
The stars don't catch her eyes  
Like they used to once before

[Chorus]

I think I'm losing my  
I think i'm losing my mind  
But then I always find  
That everything just takes time  
I think i'm losing my  
I think i'm losing my time  
But then I always find  
That this is just all in my mind

[Verse 2]

I'll be right  
I'll lose it tonight  
I'll just turn out the lights  
And shut my eyes  
I'll be right  
I'll lose it tonight  
I'll just turn out the lights  
And shut my mind

[Chorus]

Cos I think i'm losing my  
I think i'm losing my mind  
But then I always find  
That everything just takes time  
I think i'm losing my  
I think i'm losing my time  
But then I always find  
That this isn't in my mind

[Outro]

There, down by the river

She cries to you  
She doesn't love this life no more  
Her tears fall on the bank  
Straight into the dry sand  
The water's rising once again  
She doesn't love this life  
She doesn't love this life  
She doesn't love this life  
No more
