Oh oh  
Oh oh  
Oh  
Yea

[Verse 1:]

Thou shall not run these streets  
Thou shall not hit these clubs  
Every night of the week lookin for some groupie love  
Thou shall respect your heart  
Thou shall not play you hard  
But I did  
I was wrong and I'm hating it

[Hook:]

Cause now I'm calling ya cell phone  
Over and over  
My high is gone  
But I don't wanna be sober  
I'm feeling sick and I ain't got the flu  
Girl I'm missing you

[Hook:]

Girl I'm on my knees (knees)  
I promise I'll be good  
And I will never do it again (again)  
On my knees (knees)  
I can't get over you (you)  
All I need is one more chance (one more chance)  
I was just playing wit them girls
