

Hollow

dying in designer

[Chorus]

Another week, another drink
Just to get me by
Your taste on my lips
I can't deny
Drown my sorrows in the bottle
Feel so hollow
I feel so hollow
I'm always running back to you
I'm always running back to you
All that she had put me through
I'm still in love with you

[Verse]

Need your taste
I need your smell
No, I'm not doing well
Try to tell you I'm in hell
I try to tell you I'm in hell

[Bridge]

I don't wanna think
I don't wanna try
Tired of my life
Got nothing left inside
I don't wanna think
I don't wanna try
Tired of my life
Got nothing left inside

[Chorus]

Another week, another drink
Just to get me by
Your taste on my lips
I can't deny
Drown my sorrows in the bottle
Feel so hollow
I feel so hollow
I'm always running back to you
I'm always running back to you

All that she had put me through
I'm still in love with you
