

# String Along

[Ricky Nelson](#)

String along, that's all I am is just your  
String along, someone that you just seem to  
Bring along, whenever you are all alone  
And need some company  
You always turn to me

String along, that's all I do is sorta  
String along, you never seem to notice  
I'm along, I just want you to want me too  
Oh, how I hope and pray  
That you'll need me some day

String along, that's all I am is just your  
String along, someone that you just seem to  
Bring along, whenever you are all alone  
And need some company  
You always turn to me

Treat me wrong, and maybe soon you'll lose  
Your string along, someone may come and bring a  
Love that's strong, and wanna string along with me  
I'll find somebody who  
Won't treat me like you do

String along, that's all I am is just your  
String along, someone that you just seem to  
Bring along
