

Bein' Green

Kermit the Frog

Greetings, Kermit the Frog here
And today I'd like to tell you a little bit about the color green
Uh, do you know what's green?
Well I am, for one thing
You see, frogs are green, and I'm a frog
And that means I'm green, you see?

It's not that easy bein' green
Having to spend each day the color of the leaves
When I think it could be nicer bein' red, or yellow, or gold
Or somethin' much more colorful like that

It's not easy bein' green
It seems you blend in with so many other ordinary things
And people tend to pass you over
'Cause you're not standing out like flashy sparkles in the water
Or stars in the sky

But green's the color of spring
And green can be cool and friendly-like
And green can be big like an ocean
Or important like a mountain
Or tall like a tree

When green is all there is to be
It could make you wonder why
But, why wonder, why wonder?
I am green and it'll do fine
It's beautiful, and I think it's what I want to be
