

I'm Yours / Somewhere Over the Rainbow

Straight No Chaser

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks
And now I'm trying to get back
Before the cool done run out
I'll be giving it my bestest
And nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more
It cannot wait, I'm yours (I am yours)
Hey (hey) you best believe I'm yours
Now open up your mind and see like me
Open up your plans and damn, you're free
Look into your heart and you'll find love, love, love, love
Listen to the music of the moment people dance and sing
We're just one big family
And it's our God-forsaken right to be loved, love, love, love, love

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

Someday I'll wish upon a star
And wake up where the clouds are far behind me (Hey, I am yours)
Somewhere over the rainbow (Hey)
Bluebirds fly (See them fly)
Birds fly over the rainbow (I am yours)
Oh why, oh why can't I?

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
So I drew a new face and I laughed
I guess that what I'm saying is there ain't no better reason
To rid yourself of vanities and just go with the seasons
It's what we aim to do, our name is our virtue
But I won't hesitate no more, no more
It cannot wait, I'm yours
So please don't, please don't, please don't
There's no need to complicate

'Cause our time is short
This is (this is, this is) our fate, I'm yours
