

A Certain Shade of Green

Incubus

A certain shade of green
Tell me is that what you mean
All signs around
They say move ahead
Could someone please explain to me
Your ever present lack of speed
Are your muscles bound by ropes
Or do crutches cloud your day
My sources say the road is clear
And street signs point the way
You gonna stand around 'til 2012 AD
What are you waiting for
A certain shade of green
I think I grew a gray watching you procrastinate
What are you waiting for
A certain shade of green
Would a written invitation
Signed choose now or lose it all
Sedate your hesitation
Or inflame and make you stall
You've been raised in limitation
But that glove never fit quite right
The time has passed for hand me downs
Choose a new
Please evolve
Take flight
You gonna stand around 'til 2012 AD
What are you waiting for
A certain shade of green
I think I grew a gray watching you procrastinate
You gonna stand around 'til 2012 AD
What are you waiting for
A certain shade of green
I think I grew a gray watching you procrastinate
