

Loveland

Milky Chance

Take me to loveland
And no one's gonna find me
Cause I'm leavin' this old place
Righ o' here Nothing's too far
I handle that
Oh trust me
When we're leavin' this old place
Right o' here Like she has flowers in her hair
And you have flowers in your mouth
'Cause your heart is upside down
And you get dizzy because of her charisma
She will love you like a twister
And you'll be swept away
And you'll be swept away
Like we were so so so so so in love
Like we were so so so so so in love Take me to loveland
And no one's gonna find me
Cause I'm leavin' this old place
Righ o' here Nothing's too far
I handle that
Oh trust me
When we're leavin' this old place
Right o' here Like she has flowers in her hair
And you have flowers in your mouth
'Cause your heart is upside down
And you get dizzy because of her charisma
She will love you like a twister
And you'll be swept away
And you'll be swept away
Like we were so so so so so in love
Like we were so so so so so in love We were, we were
So in love
We were, we were
So in love
