

Voodoo Mama

Lindi Ortega

Louisiana
I feel you callin' me
Vodo mama
Has been huantin' my dreams
She says come on back, come on back to New Orleans

Louisiana
All done at the seems
I need you mama
To sew these old blue jeans
So I'm comin' back, I'm comin' back to New Orleans

I'm comin' back, I'm comin' back
To music in the streets
I'm comin' back, I'm comin' back
To music in the streets
Well I'm comin' back, comin' back to New Orleans

Louisiana
I feel you callin' me
Vodo mama
Has been hautin' my dreams
She says come on back, come on back to New Orleans
She says come on back, come on back to New Orleans
