

Feelin' Alright

Three Dog Night

Seems I've got to have a change in scene
Every night I have the strangest dreams
Imprisoned by the way it should have been
Left here on my own or so it seems
I've got to leave before I start to scream
Someone's locked the door, she's took the key

Feelin' alright
I'm not feelin' too good myself
Feelin' alright
I'm not feeling too good myself

Well, boy you sure took me for one big ride
And even now I sit and wonder why
And when I think of you I start to cry
I just can't wipe my face, I must keep dry
I gotta stop believin' in all your lies
'Cause there's so much to do before I die

Feelin' alright
I'm not feelin' too good myself
Feelin' alright
I'm not feeling too good myself

(Feelin' alright) Don't believe in all I say
(I'm not feelin' too good myself)
'Cause at that time I really felt that way
(Feelin' alright) But that was then and now it is today
(I'm not feelin' too good myself)
I can't get off so yet, I'm here to stay
(Feelin' alright) Till someone comes along and takes my place
(Feelin' alright) With a different name and yes a different place

Feelin' alright
I'm not feelin too good myself
Dee dee dee dee dee dee
Feelin' alright, alright, alright, alright, I'm not feeling too good myself
Good God, good God almighty I feel good
Feelin' alright, alright, alright, alright, I'm not feeling too good myself
Feelin' alright?

I'm not feelin' too good myself
Feelin' alright, alright, alright, alright, I'm not feeling too good myself
