

# Paint It, Black

Ciara

see a red door and I want it painted black  
No colors any more, I want them to turn black  
I see the girls walk by, dressed in their summer clothes  
I have to turn my head until my darkness goes I see a line of cars and they're all painted black  
With flowers and my love both never to come back  
I see people turn their heads and quickly look away  
Like a newborn baby, it just happens every day I look inside myself and see my heart is black  
I see my red door I must have it painted black  
Maybe then I'll fade away and not have to face the facts  
It's not easy facing up when your whole world is black  
No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look hard enough into the setting sun  
My love will laugh with me before the morning comes I wanna see it painted, painted black  
Black as night, black as coal  
I wanna see the sun blotted out from the sky  
I see a red door and I want it painted black  
No colors any more, I want them to turn black  
I see the girls walk by, dressed in their summer clothes  
I have to turn my head until my darkness goes Hmm, hmm, hmm...
