

# Politician (Live At the Barns of Wolf Trap, 1992)

## Los Lobos

Hey hey now baby, get into my big black car  
Hey now baby, get into my big black car  
I wanna just show you what my politics are I pull to the left, but I'm leaning to the right  
I pull to the left, but I'm leaning to the right  
Don't come around me baby when it comes to a fight I pull to the left, but I'm leaning to the right  
I pull to the left, but I'm leaning to the right  
Don't come around me baby when it comes to a fight
