

# Cruel

## Foxes

Tell a lie, tell a lie that makes me want to stay  
Give me something out of nothing, if it's not too late  
If it's real, if it's real, I guess I'll feel the pain  
Come in closer, out of focus Oh, and it's hard to  
It's hard to love someone who can't be loved  
But it's what you do, it's what you do Baby, you're so cruel, you're so cruel  
Cause you got me bound to you, bound to you  
This love I can't undo, can't undo  
Cause you got me bound to you, bound to you Losing me, carelessly, you sacrifice  
Give me something out of nothing, if it's not too late  
Did you steal or borrow me and all my life?  
Come in closer, out of focus  
Oh, and it's hard to  
It's hard to love someone who can't be loved  
But it's what you do, it's what you do Baby, you're so cruel, you're so cruel  
Cause you got me bound to you, bound to you  
This love I can't undo, can't undo  
Cause you got me bound to you, bound to you All I do is pray and it's keeping me awake  
When I try to leave, I think that you need me  
Do you?  
Baby, you're so cruel, you're so cruel  
But I'm still bound to you, bound to you There's a line that pulls me back to you  
There's only so much I can do  
A bind that holds the spark  
Wrapped around my heart  
There's only so much I can do  
When you got me bound to you  
Baby, you're so cruel, you're so cruel  
Cause you got me bound to you, bound to you  
This love I can't undo, can't undo  
Cause you got me bound to you, bound to you All I do is pray and it's keeping me awake  
When I try to leave, I think that you need me  
Do you?  
Baby, you're so cruel, you're so cruel  
But I'm still bound to you, bound to you  
I'm still bound to you, bound to you  
I'm still bound to you  
I'm still bound to you  
I'm still bound to you
