

# Nothing In My Way

Keane

A turning tide  
Lovers at a great divide  
Why do you laugh  
When I know that you hurt inside? And why do you say  
"It's just another day  
Nothing in my way  
I don't want to go  
I don't want to stay  
So there's nothing left to say"  
And why do you lie  
When you want to die  
When you hurt inside  
Don't know what you lie for anyway  
Now there's nothing left to say  
A tell-tale sign  
You don't know where to draw the line And why do you say  
"It's just another day  
Nothing in my way  
I don't want to go  
I don't want to stay  
So there's nothing left to say"  
And why do you lie  
When you want to die  
When you hurt inside  
Don't know what you lie for anyway  
Now there's nothing left to say  
Well for a lonely soul you're having such a nice time  
For a lonely soul you're having such a nice time  
For a lonely soul it seems to me  
That you're having such a nice time  
You're having such a nice time  
(Just another day, nothing in my way) For a lonely soul you're having such a nice time  
(I don't want to go, I don't want to stay) For a lonely soul you're having such a nice time  
(Just another day, nothing in my way) For a lonely soul it seems to me  
(Don't know what you lie for anyway) That you're having such a nice time  
You're having such a nice time
